St Mary Abbots in your Will*

Message from Mother Emma

Thank you so much for your interest in St Mary Abbots Church and for picking up this legacy leaflet.

For almost 500 years the Church of England has encouraged everyone to make a will, to ensure that our loved ones are cared for in the event of our death, that our property is rightly distributed, and that we can make the personal choice to leave gifts to charities or to our local church.

We would be very grateful if you decide to leave a legacy to St Mary Abbots. A gift given prayerfully in thanksgiving for God's blessings, will ensure that this church is able to continue to serve God and his people for generations to come. We hope that this leaflet will be useful to you in your decision-making.

With our blessings, prayers and thanks

Mother Emma
Vicar, St Mary Abbots

Making your Will

Should you wish, once you have provided for your family and friends, to include St Mary Abbots in your will there are two ways to leave a gift to our church:

- Adding a codicil to your will, which should be signed and witnessed, and then kept with the original document.
- Adding a legacy to your will when you write it.

For more information on how to make or amend your will, or how to find a local solicitor please contact
