

In Our Prayers This Week

We pray for the next leader of the conservative party and Prime Minister of the United Kingdom. as they negotiate the political future of our nation: Father, give them your wisdom and vision.

We pray for all in Parliament as they represent their communities:

Jesus, give them your humility and strength.

We pray for the media as they interpret events for the nation:

Holy Spirit, give them your truth and compassion.

We pray for ourselves, your Church, as we show your love to our neighbours:

Would we speak hope, embody courage and model unity in diversity.

Almighty God, we place our trust in you. Amen.

We pray for children and young people as they begin their summer holidays especially for those who rely on school for food and activities.

We pray for those who have recently finished their time at St Mary Abbots School and all who will be moving to new schools in the Autumn.

We pray too for Mrs Nicola Doyle for twenty years head teacher of our school that you may continue to bless her in her retirement as she has been a blessing to our community.

Canon Stephen's Departure

Fr. Stephen writes:

It was lovely to see so many of you at the farewell evensong last Sunday. Thank you for coming. As usual the choir and musicians did us proud. I am also immensely grateful for the very generous gift of a silver wine coaster, with the delightful engraving of the St Mary Abbots mitre on it which of course makes it unique.

We have also had many letters and expressions of good wishes from those of you who weren't able to attend the evensong service, and we are very grateful for these too.

Angela's hip operation was a success, and after 7 nights in the London Clinic she transferred to The Clavadel in Guildford, which is a post operative rehabilitation centre where she will stay until 31 July. She has asked me to thank all of you have sent good wishes and is only sorry that she wasn't able herself to come to last week's service and see you to say goodbye.

We will be out of London in Lincolnshire and Hertfordshire until the third week in August and then we shall return to our house in Warwickshire for the following few weeks, until we move in mid October to the Vicarage in Whitwell. My installation as Team Vicar of St Paul's Walden will be on Monday 28 October at 7.30 to which you are warmly invited. A number of you have said you would like to come, and maybe there could be transport organised so that it is a kind of outing. As I have mentioned to some of you, St Paul's Walden is where HM Queen Elizabeth the Queen Mother was brought up and baptised, and she is buried in the churchyard there, which is why there are many tourists and people who visit.

Love, prayers and blessings - Stephen and Angela

Alzheimer's Society - the Prudential 100

Christine Gabitass writes: I have decided to raise some money for the Alzheimer's Society by signing up to ride the Prudential 100 mile cycle event on Sunday August 4th. Please keep me in your prayers as I prepare for the big day. If you can spare a small contribution to my fundraising target, I have a site at <https://www.justgiving.com/fundraising/christinegabitass>

Our very own Annie Redmile's new website is now live. It follows the news, highlights the views and features the people and places of Kensington. <https://kensingtonview.com/>

Summer Garden Picnic

What better way to return to the Kensington grind after your summer holidays than by a picnic in the (new) vicar's garden. 15th September from 12.30pm come along with your hamper or Tesco's bags and enjoy the Autumn sunshine with friends. Plenty of space for children to run around. Picnic blankets provided for those who like the ground and chairs for those who like to remain elevated above the dirt.

Save the date

The Churchwardens and Parochial Church Council invite you to the Collation and Induction of
The Revd Emma Dinwiddy Smith

St Mary Abbots Pilgrimage

A date for our annual Autumn Pilgrimage has been set. **Sunday 22nd September at 10.45am.** We will be leaving after the 9.30am service and walking to St Paul's Cathedral. After lunch in the cafeteria we will be being shown around the cathedral by one of the canons. Everyone is welcome. The journey is about 5 miles and can be covered on foot, scooter, wheelchair or horseback. If you want to take public transport and meet us there then aim to arrive for 1pm.

A Virger's Wedding

Our Head Virger, Simon Fitter, is marrying Margy Wheeler on 31st August at 3.00pm. For those who don't know Margy, she does a huge amount of work behind the scenes, helping the Vestry team. She can also sometimes be seen in the Voluntary Choir, arranging the flowers, serving refreshments - and even in the congregation!
You are all warmly invited to the service, followed by bubbly, cake and scones afterwards. It would be helpful for catering numbers, but not essential, if you could let Simon know if you are intending to come.

St Andrew's Clinics for Children

David Crompton sends us this update on the work we seek to support.

Despite financial strain, STACC has ensured its support for the Children's Wards at St Kizito's and Pope John's Hospitals in Uganda will carry on but, for the present, at a reduced level with effect from this month. St Kizito's admitted 1,025 children during the past 3 months while Pope John's, a smaller hospital, admitted 2,894 children in the year ending July 2019.

Similarly, support for the mobile clinics run by STACCILEIFE in Nigeria has had to be reduced. The sooner funds improve the better. In the 3 months before the cutback, 2,909 children were treated. Malaria remains a most serious problem; over 300 cases are diagnosed and treated every month.

STACC's BION project for Maasai children in Kenya involves the quarterly distribution of food and bednets. The team has asked STACC to fund a drive to increase awareness about adverse effects of female genital mutilation. STACC's Board supports this proposal in principle but will not commit funds until results from a rigorous risk assessment are available.

STACC's long-term support for the work of STACC/SL in Sierra Leone has helped generate a major improvement in the health of school age children nationwide. In 2006, 48% were assessed to be infected with intestinal worms. By 2016, this overall rate had fallen to 18% resulting from a treatment programme started by STACC and now adopted and maintained by the government. STACC/SL's contribution to the national scale up of Essential Nutrition Actions, including the infant feeding programme, has also been extending across the country. For example, recently 3,597 children under 24 months of age were served by STACC/SL thanks to your generosity.
